

*"Community Development in Nepal
through promoting the youth's permanent
settlement in their communities*

"Activity Report Meeting for the Financial Year 2016"

Do come to the
Report Meeting if
you are interested in
developing
countries!

Problems that countries like Nepal have

Ways for community
development

Want to further develop our local agriculture
and industry by ourselves...

→ The youth have lost their love to their communities and moved one after another to urban areas.

Under such circumstances COINN organized an agricultural training aiming at production increase for recruited youths through local community learning centres (CLC) in Nepal. In this Report Meeting we will introduce to you the contents and results of our activities.
